What's a Trifecta event? Every year within the Team Chip system, 3 schools are chosen to host a tournament. This year is our year! Next one won't be until 2019! Come out and support you favorite Team Chipper, see what Martial Arts is all about, and get a chance to see World Class Martial Artists in action!

All proceeds will go towards getting our tournament team to the 2018 US Open ISKA World Martial Arts Championship in Orlando, Florida.

We are still looking for community sponsors. Sponsorships start at \$100.00 and will get your Business name/logo in our event program, and a spot to hang your business banner in the venue during competition.

Email msmanda.teamchip@gmail.com if you're interested and we will get with you ASAP.

Thank you!!
