TSTC in Sweetwater to Host Registration Events This Summer

(SWEETWATER) - Texas State Technical College will have two Registration Rally events this summer in Sweetwater.

The events will be held from 10 a.m. to 6 p.m. on June 12 and July 26 in the Sears Building on Homer K. Taylor Drive. The events are part of an effort to make the registration process as easy as possible for incoming students planning to take classes in the fall semester.

"We make it fun," said Devin Crenshaw, a TSTC college outreach representative. "They can come and do every single thing in one day. It's easier for people that don't want to deal with the lengthy process and do a lot of back and forth. They can just come and get it done and not wait until the first class day."

Visitors can take campus and housing tours and talk to faculty members about the seven technical programs offered at TSTC in Sweetwater, including Automotive Technology, Electromechanical Technology and Wind Energy Technology.

People interested in enrolling should bring a copy of their driver's license, high school transcript or GED, any college transcripts, proof of bacterial meningitis vaccination, housing application and TSI scores.

TSTC is having registration events at its 10 campuses throughout the state this summer. For information on the closest Registration Rally, log on to tstc.edu/rally.

For more information, contact TSTC in Sweetwater at 325-235-7300 or visit tstc.edu.

About TSTC

Texas State Technical College serves Texas through 10 campuses in Abilene, Breckenridge, Brownwood, Fort Bend County, Harlingen, Marshall, North Texas, Sweetwater, Waco and Williamson County. TSTC is the only college in Texas to adopt a funding model based entirely on student employment outcomes - aligning with its purpose of strengthening Texas with a highly skilled, technically competent workforce. Founded in 1965, TSTC celebrated 50 years of service to the state of Texas in 2015.
