# RUN FOR THE WASP

National WASP WWII Museum at Avenger Field

## 9th Annual Race for Veterans Day

The National WASP WWII Museum educates and inspires all generations with the story of the Women Airforce Service Pilots - the first women to fly America's military aircraft and forever change the role of women in aviation.

*You appreciate those in our military who defend our freedom and protect our liberty.*

*Your generous support shows your clients, patrons, employees and community how much you care about our veterans and honor their sacrifices, duty and memories.*

*You preserve and share stories of WASP and reveal the emotion, pride, heartbreak and adventure of these brave veterans at Avenger Field, the only all-woman military cadet training base in U.S. history.*

*Celebrate 75 years with us.*
