National WASP WWII Museum at Avenger Field

9th Annual Race for Veterans Day

The National WASP WWII Museum has the unique distinction to tell stories of WASP through their lives in Sweetwater and to share the emotion, sense of duty, personal pride, heartbreak and adventure of these brave veterans.

Our mission is to educate and inspire all generations with the story of the Women Airforce Service Pilots - the first women to fly America's military aircraft and forever change the role of women in aviation.
